FY 2014-2015	\$867,907,691.04	\$105,462,449.63	\$1,490,776,416.79
FY 2013-2014	\$601,489,503.22	\$64,114,949.50	\$477,140,441.20
FY 2012-2013	\$502,128,062.30	\$37,093,153.60	\$257,264,031.64
TOTAL	\$3,379,989,898.17	\$549,739,594.52	\$4,427,014,064.41

The table includes proceeds from the sale of California state-owned allowances and California allowances consigned by electrical distribution utilities and natural gas suppliers (consigning entities). The Proceeds to California column includes the total amount of auction proceeds to date that have been deposited into the California Greenhouse Gas Reduction Fund (GGRF) pursuant to California Government Code section 16428.8. All proceeds in the table are given in United States dollars.

For more detailed information on all auction proceeds, please refer to the California Post Joint Auction Public Proceeds Reports posted after each joint auction and the Summary Results Reports posted after each California-only auction available on the Air Resources Board's Archived Auction Information and Results webpage at https://www.arb.ca.gov/cc/capandtrade/auction/auction_archive.htm.
